

Enter **Fritz-Neumark-Weg** into your sat-nav to reach the correct access road.

Important information for event organisers, partner companies and suppliers

Please report to the entrance barrier on Fritz-Neumark-Weg and state that you are delivering goods for an event at the Casino. Access by car or lorry will be granted for this purpose.

As this is a listed, largely car-free area with university operations,

we ask you to observe the following rules:

- Walking speed applies on the campus grounds.
- Driving directly up to the building for loading is permitted. Please carry out the loading process quickly and then drive the vehicle immediately to one of the marked parking spaces. Lawns, gravel areas and access roads are not parking spaces!
- Natural stone slabs and lawns must not be driven on.
- There are no parking spaces for lorries or buses at the university.
- Please ensure that, whilst loading, you do not disrupt university operations or ongoing events, and do not block any passageways or access routes.
- You are personally liable for any personal injury or property damage incurred by you, the University or others in connection with your delivery operations. Liability on the part of the University and CAMPUSERVICE is excluded.
- You must follow the instructions of the security services.
