

Welcome to the ISF Parent Network e.V.

All ISF parents are welcome to join the ISF Parent Network e.V. (PN), a registered German Verein. We operate on a voluntary basis, promoting social activities and services that support the ISF school community. There is no cost for membership, however membership ensures your ability to run for PN office and vote in our annual board election.

Parent Network activities are coordinated through a board consisting of an elected President, Vice President, and Treasurer, as well as an appointed Secretary, Grade Level Representative for each grade, Class Representative for each class in grades 1-4, and an International Representative. The Parent Network leadership structure also includes parents who volunteer as International Country Reps, so that connections between families from your country can be made.

The success of PN's activities depends on your support. Would you enjoy helping at an event or celebration, baking for our December bake sale fundraiser, representing your country at our Taste of the World International Food Festival, or chaperoning a school field trip? There are many ways to help and you would be warmly welcomed. Please mark your interest on the application and/or email us to participate:

ParentNetwork@isf.sabis.net.

Examples of Parent Network services and activities:

Celebrations

- Holiday Celebrations
- Annual Taste of the World
- Senior Graduation

Welcoming new families

- Welcome Day table
- Welcome Guide

Coordinating Parent Volunteers for

- Class field trips
- Parties and Cultural Celebrations
- Fundraisers

Encouraging communication
