

# Welcome to the ISF Parent Network e.V.

All ISF parents are welcome to join the ISF Parent Network e.V. (PN), a registered German Verein. We operate on a voluntary basis, promoting social activities and services that support the ISF school community. There is no cost for membership, and joining is fast and easy; just complete and return the one-page membership application. Membership benefits include first access to PN limited-space activities such as day trips, a monthly newsletter via E-mail, and special perks throughout the year.

Parent Network activities are coordinated through a board consisting of an elected President, Vice President, and Treasurer, as well as an appointed Secretary, Grade Level Representative for each grade, Class Representative for each class in KG to Grade 4, and an International Representative. The Parent Network leadership structure also includes parents who volunteer as international county representatives, so that connections between families from your country can be made.

The success of PN's activities depends on your support. Would you enjoy helping at an event or celebration, baking for our December Bake Sale Fundraiser, representing your country at the Taste of the World International Food Festival, or chaperoning a school field trip? There are many ways to help and you will be warmly welcomed.
