We, the undersigned, confirm with the signature on this transportation contract that we understand and agree to the financial obligations mentioned in the Transportation Contract.

Signature of Parents or legal guardians

Date

Please, supply invoice address if payment will be settled by employer or another organization:

Address:

**TERMS AND CONDITIONS FOR ISF INTERNATIONAL SCHOOL FRANKFURT-RHEIN-MAIN
SHUTTLE SERVICE AS OF AUGUST 23, 2023**

1. The company SC Reisen is the official partner and handles the shuttle from/to the ISF. The basic contract for the carriage is a carriage-contract between the parent(s) and the company SC Reisen.
SC Reisen is responsible for the routes and schedule. These will be determined with regards to journey times - as short as possible.
2. Please note two important points:
 - a) The tours for the coming school year 2023- 2024 will be organized by August 21th 2023.
 - b) The pick-up times may vary during the course of the year by about 10 minutes (earlier or later).
3. Parents will be informed of any changes in pick-up times during a term, after consultation.
4. The name and mobile phone number of a contact partner is given to the parents for all matters concerning the transportation.
5. Smoking in the vehicles is not permitted. The use of the safety belts by the children is mandatory. Smaller/younger children need to be transported in safety child seats. When placing the order please note if you want us to arrange for a safety child seat or if you want to use your own.
6. Each contract can be cancelled upon giving 14 days written notice prior to the end of a term.
7. All deployed vehicles have air-conditioning, airbag and fire extinguisher.
8. The price for the term is calculated on the basis of distance zones which are determined by the software "map & guide". The zones are established by calculating the one-way distance between the place of residence and the school.
9. The school year at ISF comprises 10 months (3 x 3 + 1 months). This means that transportation for the whole school year is 10 months and that 10 months are payable.
10. As a rule the length of a journey is 60 minutes maximum. If the journey times exceed this time frame a written agreement of the parents is necessary.
11. This transportation contract is valid for the school year 2023/2024.
12. The transportation contract needs to be signed and paid before start of transportation.
13. You will receive a copy of the transportation contract with our signature.
14. Should the driver, for any reason, not come on time or at all, SC Reisen will try to send another vehicle to transport the children. If this is not possible, then SC Reisen will send a taxi and pay the bill for this service.
