

Dear ISF Parents,

## What is Parent Network (PN)?

At ISF we have a very active Parent Network (PN). All parents who wish to become more deeply involved and engaged in the PN may become members of the ISF Parent Network e.V., which is an association under German law ("Verein") registered with the Verein Registry held by the Frankfurt Local Court.

PN organizes many major events like the Sommerfest (with the Taste of the World), German carnival (Fasching), Halloween and supports activities organized by various departments at ISF. PN liaises with the school and represents students and parents. PN also has a voluntary representative for each class and grade as well as a representative for each nationality registered at ISF.

## Volunteering to help and getting connected

PN's activities depends upon support from parents. Would you enjoy helping at an event, baking, supervising a few children at a party or a trip? If you cannot be present at the events because of your work schedule, there are many other ways to help. You can find the Volunteer Forms in the Reception area.

We also try to help new parents in settling down at ISF. Perhaps you have a question and don't know who to ask in your native language? Maybe you are new to Frankfurt or want to connect with families from your country or your child's class/grade? You will find the email ids of the contact persons on the PN Noticeboard **across the Reception**.

## Email ID for the Class List to receive communication from PN

Each academic year means your child is in a new class. In order to make sure that all the information we send reaches you, we request you to give us the preferred email ID.

Please hand in this sheet to PN via Reception OR email the following contact details at [ParentNetwork@isf-sabis.net](mailto:ParentNetwork@isf-sabis.net)
