

Dear Parents,

Welcome to VielfaltMenü! As an experienced and reliable catering partner of schools, we are pleased to welcome your child for lunch at the International School Frankfurt Rhein-Main.

Our offer enables a balanced diet in school and thus forms an important basis for the healthy development and performance of the students. Every day, **2 menus** are offered on the basis of the catering system fresh food and hot meals. The menus include main course, dessert or fruit and a drink. In addition, the children can choose fresh salads at the salad bar. Also, we offer a fresh daily vegetable. For the kindergarten children we also offer 2 daily menus including the above-mentioned side dishes.

HOW TO REGISTER YOUR CHILD

Please complete and return one

„Application for lunch „per child! to our Service Team

Should your child not leave ISF at the end of the school year, the contract will be automatically renewed for another school year, if you do not cancel

Of course, you can register your child at any time in the current school year at the beginning of each month. Current registration forms (if not attached) are available at reception of the school or at the food distribution desk or directly from our side manager, Mr. Steve Völker (see contact).

After deregistration in the current school year, it is unfortunately no longer possible to re-register in this school year. Further supply would then be possible via the prepaid procedure.
