

Consent Form for Photography/Filming and Publication at ISF

Personal Data:

Student Family Name:			
Student First Name:			
Student ID*:		Grade Level:	

Students who attend ISF are occasionally asked to be a part of school publicity, publications and/or public relations activities. In order to guarantee data privacy and ensure your agreement for your student to participate, the school asks that you and the student sign and return this form to the school. This form is valid for the duration of a student's time at ISF and does not need to be resubmitted each school year. Should the permission status of your student change, please do advise us by submitting an updated form to the school.

Please note that the processing and use of your photo for the ID Card is necessary for the purposes of the legitimate and vital security interests of ISF (please see Art 6 I (f) GDPR).

A. School-Only Use:

ISF may use the following: student name, image and likeness (in photographs, films or portraits), voice, biographical dates, products created by the student as a part of class work or other school-related activities (for example papers, art work, films, stories, poems, sporting events etc.). I further understand that the school may also make video or webcam recordings during the regular classroom for educational and promotional purposes.

These items would only be used by ISF in the following venues:

- School intranet (access would be restricted by password and limited to ISF teachers and staff, ISF students, families of students)
- Print version of the ISF yearbook
- Class photos in print and in digital form
- School internal administrative systems
- In-class and co-curricular projects
- School buildings
- Public school events
- ISF school communications intended for the ISF community

I understand that these items may be used by ISF in subsequent years.

B. Public Use for School Purposes

In respect of privacy, ISF recognizes the need to restrict the use of the student’s personal data in public venues or services. ISF may use the following: image and likeness (in the form of photographs, films or portraits), biographical data, voice, products created by the student as a part of class work or other school-related activities (for example papers, art work, films, stories, poems, sporting events etc.). I further understand that the School may also make video or webcam recordings during the regular classroom for educational and promotional purposes.

These items would be used in the following venues:

- School publications used for school promotion
- Films and voice recordings used for school promotion
- SABIS internet site and social media pages

The Material could be used, in accordance with this form, in digital and printed forms (including but not limited to print publications, newsletters, etc.), posted on SABIS websites and social media platforms, and/or advertisement platforms such as outdoor or digital banners and billboards (Platform) by the School and SABIS Educational Services S.A.L. (SES), SABIS Educational Systems, INC. (SES INC), its affiliates, and Schools that are members of the SABIS® Network.

I understand that these areas are intended for the general public and therefore available for third parties. I understand that these items may be used by ISF in subsequent years.
