

## **SABIS® Digital Platform & Weekly Update**

The SABIS® Digital Platform provides information online for ISF parents and students. You can view your child's progress as well as school announcements and updates. A mobile App is also available for your smartphone. You will be sent log-in details by e-mail prior to your child starting at ISF. Please e-mail [sdp@isf-sabis.net](mailto:sdp@isf-sabis.net) if you have not received the log-in details after your child's first day.

E-mail address, postal address and telephone number changes should be sent to:

[registrar@isf-sabis.net](mailto:registrar@isf-sabis.net) .

The Weekly Update is a newsletter written by the School Director and includes information on upcoming events at ISF. It is normally sent out to parents every Friday. A printed copy of the Weekly Update is hung up on the noticeboard in the foyer in the school.
