

SABIS® E-books

SABIS® E-books were successfully launched in Grades 3 – 10 at ISF over the past 5 years and the reaction of our students, teachers and parents has been entirely positive. We look forward to their continued use in the school year 2021-22.

New students joining Grades 3-10 in the school year 2021-22 must purchase a tablet. For the optimal experience, we highly recommend that tablets have the following specifications:

| Tablet Specifications | |
|-------------------------------|---------------------------------------|
| SPECIFICATIONS | RECOMMENDED |
| <i>Operating System</i> | Android™ Version 10.0 or above |
| <i>Internal Storage</i> | 32 GB or above |
| <i>Processor</i> | 8 Core or above |
| <i>CPU Frequency</i> | 1.6 GHz or above |
| <i>Memory (RAM)</i> | 2 GB or above |
| <i>Screen Size (diagonal)</i> | 10.1 inches or above |
| <i>Resolution</i> | 1920 x 1080 or above |
| <i>SD Card Supported</i> | Required |
| <i>Stylus</i> | Preferred |

Tablets purchased with the above technical specifications are expected to be compatible for up to 3 years, after which a replacement may be needed.

Important Notes

- For the Academic Year 2021-22, tablets with Android™ versions below 8.0 may **not** be used.
- For the Academic Year 2021-22, Huawei tablets running Android™ operating systems may continue to be used if they have Android™ version 8.0 or higher.
- For the Academic Year 2022-23, tablets with Android™ versions below 9.0 may **not** be used.
- Tablets with technical specifications less than the above recommendation may experience slower and/or inconsistent performances while accessing SABIS® tools and products.

SABIS® E-books are **only supported on Android tablets**.

Please also note that we recommend:

1. Purchasing a tablet without a SIM card port
2. Purchasing a cover for the tablet
3. Purchasing a power bank with a minimum capacity of 12,000 mAH and its USB cable in order to recharge the tablet at school.

Further information and instructions will be provided at a later date.
